Uses not specifically listed in this Chapter are prohibited. However, additional new and unlisted uses may be permitted by the Director if the Director finds that the use is similar to other uses listed in the same zoning district.

(B) Appeals. An applicant who is aggrieved by the decision of the Director with respect to the allowability of an unlisted use may appeal the decision to the City Council. The appeal shall be filed in the office of the City Clerk, with a copy to be filed in the office of the Planning and Development Department. Unless otherwise stated in the Council's action, the determination of the Council with respect to the appeal shall constitute a permanent and consistent interpretative decision which the Director shall apply in all future instances.

(C) Conditions. When considering requests to permit a new or unlisted land use as being similar to a listed use, the Planning Director or City Council shall consider the potential effects of the use on adjacent properties in terms of requirements for services, visual impact, traffic generation, the extent to which the use is consistent with other uses allowed in the district, and other issues they deem appropriate. Based upon such consideration, the Director or Council, in approving a request under this Section, may impose appropriate and reasonable conditions designed to ensure

compatibility and consistency of uses.
